## / What others say about us

“Solid and wide-ranging offering covering all aspects of the energy market. Respected regulatory practice providing advice on traditional energy industry law, alongside expertise in new legislative and political developments.”

Chambers Europe 2017

“Excellent IT and media team that benefits from a deep bench and close links to neighbouring departments to attract high-profile mandates. Trusted adviser on large-scale digitalisation and outsourcing projects, as well as cloud-based computing and regulatory-driven data protection issues.”

Chambers Europe 2017

“It recently managed a coup with its expert opinion on the subject of Industry 4.0, which also highlighted its strengths in this IT-focused area. This makes it particularly interesting for industrial clients and it is therefore recommended as an advisor on digital issues.”

JUVE Handbook 2016/2017

“Recommended law firm in energy law.”
