

London Office

Since 2010, Noerr's London office has advised international investors on key practice areas of German law and co-ordinates teams of experts in our offices in Berlin, Dresden, Düsseldorf, Frankfurt, Hamburg and Munich. We also work closely with our office in New York. In Central and Eastern Europe we also advise on local law. We have ad hoc desks to support clients' needs in Brazil, China, France, India and Japan. Noerr is the exclusive German member of Lex Mundi, the leading network of independent law firms with in-depth experience in over 100 countries worldwide. We execute projects as global lead counsel anywhere in the world.

/ Our Services

Private Equity & Venture Capital

Our expert teams – comprising our corporate, finance, regulatory and tax professionals – assist investors, private equity professionals and banks during every phase of the investment cycle. We guide our clients through an economic, fiscal and regulatory environment with continually evolving investment cultures, deal structures and rationales.

Corporate/M&A

We deliver outstanding performance in corporate and M&A legal advice. In a constantly changing world, we proactively challenge our approach to established perspectives. Entrepreneurial by nature, we are inspired and driven by the desire to innovate, both in business and law. We like to be measured by what we achieve for our clients when handling projects at all levels. Key to this is our full service advice, cutting-edge expertise and market knowledge, and is demonstrated by our ability to lead projects worldwide.

Restructuring & Insolvency

Restructuring and insolvency situations require special experience, care and discretion. Our specialist team includes

corporate, finance, employment, litigation and tax professionals who regularly work together on cross-border insolvencies. Our long-standing practice has given us unparalleled experience and market insight that creditors, debtors and administrators regularly rely on.

Regulated Industries

In several sectors the state takes a regulatory or controlling role, to enable competition, promote private investment, guarantee supply security or ensure consumer protection. We support clients during the structuring, expansion and protection of their businesses in regulated markets, combining our industry and multi-disciplinary expertise. This includes the risks and opportunities generated by evolving FDI restrictions and the post-Brexit environment.

Real Estate Investment

The Noerr Real Estate Investment Group (REIG) provides solutions to the increasingly complex challenges in the real estate industry. With its unique interdisciplinary approach, which comprises experts from the fields of private equity, corporate, capital markets, financing, tax, real estate and public law, REIG is one of the leading legal advisers in transaction-based real estate law.

/ Your Benefits

Noerr London is immediately available when our international clients and best friend referral law firms need us. Our clients benefit from our close proximity to, and close co-operation with, leading English, European, and US law firms, selected according to the expertise required. We have worked closely with many of these firms for decades. Our clients benefit from bespoke and partner-driven teams offering consistent, top of the league service, central matter management, and a one-stop reporting and invoicing model.
