

London Office

Noerr's London office, established in 2010, overlooks the business and finance hub of the UK from the top of Tower 42 in the City of London. Our team advises on key practice areas of German law, and coordinates teams of German and local law experts in our 15 other offices in Belgium, Germany, the Czech Republic, Hungary, Poland, Russia, Romania, Slovakia, Spain and the USA. We have ad hoc desks to support clients interested in Brazil, India and China. Noerr is the exclusive German member of Lex Mundi, the leading network of independent law firms with in-depth experience in over 100 countries worldwide. Our approach allows us to lead projects anywhere in the world as transaction lead counsel.

/ Our Services

Private Equity & Venture Capital

Our expert teams – comprising our corporate, finance and tax professionals – assist investors, private equity professionals and banks during every phase of the investment cycle. We guide our clients through an economic, fiscal and regulatory environment with continually evolving investment cultures, deal structures and rationales.

Corporate/M&A

Our corporate and M&A experts offer effective, entrepreneurial, results-oriented and innovative advice, together with specialists from other relevant areas such as tax and antitrust. Our advice on complex projects, transactions and disputes is tailored to each client due to our deep industry expertise. We advise on more than 300 large and mid-cap transactions annually.

Restructuring & Insolvency

Restructuring and insolvency situations require special experience, care and discretion. Our specialist team is comprised of corporate, finance, employment, litigation and other professionals who regularly work together on cross-border insolvencies.

Our long-standing practice has given us a range of experience and market insight that creditors, debtors and administrators regularly rely on.

Regulated Industries

In several sectors the state takes a regulatory or controlling role, to enable competition, promote private investment, guarantee supply security or ensure consumer protection. We support clients during the structuring, expansion and protection of their businesses in regulated markets, combining our industry and multi-disciplinary expertise. This includes the risks and opportunities generated by Brexit and FDI restrictions.

Real Estate Investment

The Noerr Real Estate Investment Group (REIG) provides solutions to the increasingly complex challenges in the real estate industry. With its unique interdisciplinary approach, which comprises experts from the fields of private equity, corporate, capital markets, financing, tax, real estate and public law, REIG is one of the leading legal advisers in transaction-based real estate law.

/ Your Benefits

Noerr London is immediately available when our international clients and referral law firms need us. Our clients benefit from our close proximity to, and close co-operation with, leading English, European, and US law firms, selected according to the expertise required. We have worked closely with many of these firms for decades. Our clients benefit from bespoke and partner-driven teams offering consistent, high quality service, central matter management, and a one-stop reporting and invoicing model.
